Joshua Anthony Delgado

Seeking a beginner role enhance, explore, gain, and learn new skills and experiences to start up my web development career. I am a hard-working, dedicated worker who likes to give my best at everything I do. I am highly organized and efficient. I am proficient in front end web development mainly HTML, CSS, JavaScript, Bootstrap and WordPress. In addition to I am also proficient in productive computer programs such as Microsoft Offices applications, Photoshop and Canva for Photo Editing and Adobe Premiere Pro for Video Editing.
